

## Political Funerals

*"I imagine what it would be like if friends had a demonstration each time a lover or a friend or a stranger died of AIDS. I imagine what it would be like if, each time a lover, friend or stranger died of this disease, their friends, lovers or neighbors would take the dead body and drive with it in a car a hundred miles an hour to Washington D.C. and blast through the gates of the White House and come to a screeching halt before the entrance and dump their lifeless form on the front steps."*

From "Close to the Knives (1991)  
by David Wojnarowicz (1954 - 1992)
